

## VOCATIONAL TRAINING APPLICATION PACKAGE

Welcome to the **Sir Wilfrid Laurier School Board's International Student Program!**

To facilitate your application process, please take note of the following:

- ✓ Students must duly complete and sign our **Application Package** and send it back to us along with the required documents and a minimum **payment** of the application fee and deposit (\$1,150 CAD). We will only verify a student's eligibility and documents once the payment has been received. Please allow 1-2 weeks for processing. Incomplete applications may cause delays in processing.
- ✓ Upon reception of the payment and **Verification of Eligibility**, we will then send an **Invoice** and **Letter of Acceptance**. With this letter, the student can apply for a **CAQ, Study Permit, and COOP Work Permit**.
- ✓ End dates for vocational programs are tentative and could vary. The school board reserves the right to cancel or delay the start date of a program if there is a lack of space or insufficient registration to start a cohort.
- ✓ When applying for a **CAQ**, make sure to select "**Vocational training Program / Diplôme d'études professionnelles**" under the *Program or level of studies / Programme ou niveau d'études* field.  
Note: If you already have a CAQ with a different level of studies, please request a change as soon as possible.
- ✓ When applying for a **Study Permit**, make sure to indicate, "**Designated learning institution in the province of Quebec**" under the *Institution Name / Nom de l'institution* field. Please be sure to also apply for a **COOP Work Permit** at the same time.
- ✓ It is strongly recommended to **submit applications at least 4-6 months prior** to the start date of the program to ensure having enough time to apply for the necessary immigration permits (CAQ, Study Permit, COOP Work Permit).
- ✓ It is strongly recommended to arrive in Canada **at least 2-3 weeks prior to the beginning of the program** in order to finalize the registration process in a timely manner. Students must come in person with all their original documents and have already paid for their first installment in full in order to finalize registration. Students will not be able to start without their original documents and permits.
- ✓ It is mandatory to maintain regular and consistent **attendance** in all programs. The maximum extension we could make for students who are late, will be 1-2 days. If the student's arrival is scheduled for a date beyond this exception, he/she will be deferred to the next intake.
- ✓ Students joining our daytime programs must take a **French as a second Language** course outside of their classes. These classes will help students learn and improve their French skills when they start their internships as well as during/after their studies in Quebec.
- ✓ **Health insurance** is a legal requirement for any international student studying in the province of Quebec. The International Students Program, through their designated insurance provider (INGLE international) will provide this service. Our insurance has a very competitive rate and excellent coverage. This fee is mandatory for all students and the cost of the insurance will be added to the student's invoice.

Thank you for choosing the International Student Program of Sir Wilfrid Laurier School Board.

**LANGUAGE INFORMATION**

The Sir Wilfrid Laurier School Board is an English School Board that offers programs in English. Students are expected to have functional English skills to succeed in their programs. Students with basic English skills will need to take English classes as a prerequisite prior to starting their program.

Please note that some programs (especially those that interact with clients or patients) will require functional French speaking skills, therefore students must take a French as a Second Language course outside of school to help them learn or improve their French skills. **It is their responsibility to acquire the language to meet their needs and succeed in their program.** Kindly note, students will also have a competency in their program in French they will have to complete, thus the importance of attending/learning the French language.

**Please put an (X) in the column the best describes the student to get a better insight on the student’s English and French skills.**

## ATTENDANCE POLICY

I acknowledge and understand that it is necessary to maintain **regular and consistent** attendance in all my classes.

I understand that **attendance is a mandatory** part of my studies at the Sir Wilfrid Laurier School Board. I recognize that regular attendance will allow me to maintain the status of a student "In Good Standing".

Our Vocational Training Programs follow a **full-time** daytime schedule during the weekdays. Also, some of our programs have internships which may be offered in the evenings or weekends.

In the event that a student fails a final examination for a second time, remediation arrangements must be made directly with the center and at the expense of the student.

**Students caught cheating or plagiarizing at any time during their program, will be permanently removed from their class and will not be allowed to re-join.**

**Failure** to abide by the above agreements may result in the student losing the privilege to attend subsequent classes, as well as write any exams or the necessary retakes associated with their program. Such an event may lead to the ultimate dismissal of a student.

## REFUND POLICY

All refund requests must be made in writing and sent to the Sir Wilfrid Laurier School Board International Student Program office at [isprefunds@swlauriersb.qc.ca](mailto:isprefunds@swlauriersb.qc.ca).

Please note the following are **non-refundable** in all cases:

- \$150 CAD Application Fee
- \$200 CAD Deferral Fee

- 1) Students who receive a refusal letter for their visa application by the Canadian or Quebec Government will be entitled to a full refund except for the \$150 application fee. To be considered for a refund due to a visa denial, the refusal letter must be submitted with the refund request. *Please note this is the only request where the \$1000 tuition fee deposit may be refunded.*
- 2) Students who withdraw in writing 30 days or more, prior to the start of the program, will be entitled to a refund of the tuition fees. The \$1000 tuition fee deposit is not refundable.
- 3) Students who withdraw in writing less than 30 days prior to the start of the program, will be entitled only to 50% of their first tuition fee payment, as required by our payment structure. Any overpayment the student made will also be refunded. The \$1000 tuition fee deposit is not refundable.
- 4) Students who withdraw after the start of the program will be responsible for tuition payments as required by the SWLSB payment structure and are therefore not entitled to a refund. Any tuition fees that are not due on the date of the withdrawal will be cancelled and refunded if paid in advance.

  - a. A student withdraws from the program, once the program has begun.
  - b. The student engages in an illegal activity or breaches school policy, regulation, rules, or code of conduct and must return home.
  - c. The student falsifies mandatory documents or medical information.

### **DEFERRALS:**

Students who wish to defer intakes must do so in writing a minimum of 30 days prior to the start of class. (\$200 change of program fee applies). Applicants may defer their admission up to a maximum of two (2) times. Subsequent deferrals will be considered new applications and a new application fee will apply. Students who do not confirm their placement or who have not formally requested a deferral 30 days prior to the start of the program may be considered withdrawn and will forfeit their \$1000 tuition fee deposit.

#### **The school board reserves the right to cancel or delay the start of a program for the following reasons:**

- Insufficient registrations to start a cohort
- Lack of space

In this case, students will have the choice to wait for the next available intake or will be granted a full refund with the exception of the application fee and/or deferral fee.

Please note, all refunds are in Canadian dollars. A \$35 banking fee will be deducted for wire transfer refunds under \$15,000 CAD and a \$55 banking fee will be deducted for wire transfer refunds over \$15,000 CAD. The school board does not assume responsibility for the impact of foreign currency exchange, bank fees or related matters outside our control. All eligible refundable fees will be issued to the same payment method with which fees were paid.
